Site visit, traditional dancing and first tree planting during the opening ceremony the 25 of April 2008

Opening Ceremony and Official Delivery of Caia Agro-Zootechnical School Lot 1

The past 25 of April, WSP representatives in Caia, currently working on the supervision of the Zambeze bridge construction assisted the official opening ceremony and delivery of the first lot the Agro-zootechnical school.

WSP participated financially to support Consorcio (an Italian NGO) from Trento province, Caia District Administration and District Department of Agriculture in order to finalize the construction of this first lot.

Representatives of the Italian Embassy in Mozambique and Trento Province, from the Caia District, the Sofala province and from the Ministry of Education and Culture officially established the vocational training center.

The first lot delivered consists of:

- 3 classrooms
- 1 male dormitory, for 24 boys
- 1 female dormitory for 12 girls
- Male and female bathrooms
- 7 exterior toilet
- 1 three-room house for School Director
- 2 blocks of 2 two-room houses for teachers and Production Deputy Director
- 1 Model Farm
- 1 Dining hall with kitchen
- Photovoltaic system for illumination
- Small scale water supply system
- Metallic net fence of houses and dormitories
